

# Kelvin Sereti

Android Developer

Nairobi | +254702552885 | [seretiofficial@gmail.com](mailto:seretiofficial@gmail.com)

## Summary

Enthusiastic software developer with expertise in Java, Kotlin, and Python, and hands-on experience in software development, IT support, and project management. A Computer Science graduate, I’m passionate about using technology for social impact, especially in underserved communities. I bring strong problem-solving skills, adaptability, and a collaborative mindset, ready to contribute to innovative tech teams.
